Campus Spotlight

Sept. 28, 2015

Photo by A. Sue Weisler

Don Figer, left, director of the Center for Detectors at RIT, talks with Clayton Turner '90 (electrical engineering). Turner, deputy director at NASA's Langley Research Center, opened the 2015 Dean's Alumni Speaker Series Sept. 24 in the the Kate Gleason College of Engineering. During his visit, Turner also met with students and toured the Center for Detectors.
